RIDING LESSONS!

Our non-profit organization, Therapeutic Horse Riding, Inc., offers a variety of internships as part of its commitment to providing education and training for individuals interested in working in the field of Therapeutic Riding and Equestrian Care.

Angles for Autism is one part of our non-profit organization, Therapeutic Horse Riding, Inc. We currently have weekly therapy sessions and are always looking for more volunteers. Volunteers are trained in things such as, catching and tacking horses, how to interact with special needs individuals, helping and teaching individuals to ride horses, and caring for the horses before and after any session.

We also regularly schedule event work days to help with the upkeep of the ranch for our special events and therapy sessions. This is a great way to donate your time! The more the merrier on these days, and all help is greatly appreciated!

Come out and connect with the horses, and many other animals, at Iron Wing Ranch! No matter how you decide to get involved it is certain to be a rewarding experience!
